

IEEE Students & Young Professionals Congress Incorporating: 2017 YEP/IEEE Innovation Challenge

“Innovation, Leadership, Entrepreneurship”

1-4 Dec 2017, International Burch University, Sarajevo, Bosnia & Herzegovina

“Innovation, Leadership and Entrepreneurship are essentials in creating a thriving economy. The 2nd Annual IEEE Student & Young Professional Congress is organised by IEEE, the world’s largest professional organisation and the Youth Employment Project, supported by the Swiss government. The congress brings together students, young professionals from dozens of countries and some of the most influential global experts from the fields of Engineering, IT, Innovation, Entrepreneurship and thought leadership.
